

## **Help at Home + Supporting Discharges from Addenbrookes, Hinchingsbrooke and Peterborough City Hospital**

- Wellbeing checks and follow up reassurance phone calls to see how your patients are settling back home
- Home visit prior to discharge, if necessary, to aid discharge. We will assess the possible risk of infection during the visit, on a case by case basis
- Signposting to help link patients to access local services including other voluntary or community organisations to help reduce the likelihood of readmission
- Essential Shop and Drops for food and prescriptions
- Information, signposting and reassurance

Please call **01223 714433** and we can direct your call to the appropriate member of staff
